

WELCOME to MKE Street Drags!
2018 * May 15 – June 19 – July 17 – August 21 – September 18 * 2018
\$12 to get in, \$15 per bracket, \$15 fee for Shine 'N Show
DON'T TAKE THINGS TOO SERIOUSLY- just relax and HAVE FUN!

IF YOU ARE ENTERING THE PITS:

- 1) All viewing will be from pit road area (temporary bleachers), be aware for your own safety at all times.
- 2) No Carry Ins. **Alcohol is not permitted in pits.**
- 3) If you are not racing, park your car in the infield parking lot, then sign into pit area and enter on foot.
- 4) Please **drive slowly when exiting Speedway**, as there may be children in this area.

IF YOU ARE DRAG RACING:

- 1) No Burnouts!
- 2) Riders are welcome (over 12 years old). **EVERYONE must have a seat belt on.**
- 3) There is no limit on practice runs (as time permits). Just pull up to the line. We will release you...one car at a time. You may get in line in the pre-staging area.
- 4) No speeding after drag runs. **SLOW DOWN INTO THE TURN!**
- 5) If we have determined you have "red lighted" you will be notified at Turn 4/Pit Road Entrance.
- 6) You MAY enter in more than one bracket (\$15 each). **Once you win the Bracket- we ask that you not participate in *that* bracket for the *next* event. (Except for the Open Brackets).**
- 7) When bracket racing begins, we will separate you into your "bracket". We may combine brackets, depending on the number of vehicles entered. The brackets are run in that respective order as well. After each of *your* bracket runs, you must stop at Checkpoint. An Official will guide you on where to go. If you are eliminated from your bracket, you must go into the pits. **We may split (break out) a Bracket if we have a large number of cars or have performance differences**
- 8) **CYCLES/ATV's** are required to wear helmets and long sleeved clothing.
- 9) Drag to the finish line/flagstand!!
- 10) **BUYBACKS.** If you are eliminated in brackets, and there is still *time permitting*, you may re-enter with a "Buyback". This will cost \$10 and is valid for a single elimination bracket. You can purchase your Buyback at the Checkpoint...at pit road entrance.
- 11) **Be aware that we will not tolerate stupidity. This means while racing, or at any other time.** Any persons, whom may have consumed alcohol prior or during the event, may not participate. This is about having fun. Relax and enjoy the camaraderie.

SHINE AND SHOW

You may do both...drag, and shine and show. We will judge the shine and show around 8:30 and then award on track (time allowing). Park your car in the shine and show area (along inner pit road wall). Our judges will be around to check your ride out.

TENTATIVE TUESDAY NIGHT SCHEDULE:

6:00 - Pit Opens 6:30 - Practice or Grudge runs 7:30 - Brackets start
8:30 –Shine & Show Judging

STREET DRAGS

STREET DRAGS

WELCOME TO STREET DRAGS AT THE MILWAUKEE MILE

Your Bracket is determined by Tech Officials prior to entering pit area. If you have any questions contact them. They are located in the staging area. Additional Brackets may be added. NOTE: You may be moved up a Bracket if we determine your vehicle does not meet the parameters of the current Bracket you are participating in. Be honest with the Tech Officials about what you have in or have done to your vehicle. Relax and have fun.

Order of Brackets to be run tonight

(Subject to change)
